KADUR DIVISION.

Dated 0th July 1930.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Kadur Division, up to 1st August 1930 till 3 P.M. for Reconstructing a girder bridge in 5/23 of Bababudan Hill Road. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of February 1931.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Chikmagalur, between the hours of 11 A.M. and 5 P.M. on working days.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rupees fifty only in cash or Government Promissory Notes as earnest money and be superscribed "Tender for Reconstructing a girder bridge in 5/23 of Bababudan Hill Road" in default of which tenders will be rejected.

5. The final acceptance of any tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond in default of which his tender will be considered cancelled and his earnest money will be forfeited.

7. The name of the successful competitor whose tender has been accepted will be posted on the notice board in the Executive Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders the earnest money on rejected tenders will be returned.

9. Rates should be quoted for each item of work, both in figures and words.

10. Percentage rate either below the sanctioned estimate or lowest tenderer will not be accepted.

11. No claim for enhanced rates for the items tendered, will be preferred during the execution of work.

12. The accepted tender is held responsible for the execution of the work and should not sub-let the contract to any body.
